ANNUAL CONCERT

2023 VIDEOGRAPHY

We are excited to share the link to view the 2023 concert videos.

Families have access to all Caper concerts.

The footage can be watched directly online. However it can also be downloaded to watch offline.

It is recommended to use the HD 1080p download option as it will be the highest quality video with the best compatibility.

The files will be up for 12 months from the date of the concert so you are encouraged to download as soon as possible so you can save them for future viewing.

Please contact us if you have any questions. We hope you enjoy the concert again... and again and again!
